The Whispering Fog by Landra Jennings

Middle Grade | Age: 8 to 12 | September 13, 2022
HarperCollins Clarion | Hardcover | 9780358674559 | \$16.99

In this spooky and atmospheric debut contemporary fantasy, *Snow White and Rose Red* meets the modern world after sisters Neve and Rose's lives are upended when a swamp witch kidnaps Rose. Perfect for fans of Jodi Lynn Anderson and Katherine Arden. A gorgeous, haunting debut about sisterhood and finding your voice.

'A swamp full of secrets and a quirky cast of characters combine for a delightfully dark debut.'
— **Kirkus Reviews**

'A bewitching tale of sisterly love, finding your voice, and the value of a good tomato. I love this book.' — **Anne Ursu, author of *The Troubled Girls of Dragomir Academy***

'A refreshingly honest story about imperfect families, about how sometimes we care best for others by being real with ourselves.' — **Laurel Snyder, author of *Orphan Island* and *My Jasper June***

"Evokes the swamps of the south—brimming with mystery, magic and abundant heart." — **Jo Watson Hackl, Southern Book Prize Winner for *Smack Dab in the Middle of Maybe***

Short Bio: Landra Jennings is a South Carolina-based writer who focuses on fiction for pre-teens. She is influenced by fairy and folk tales as well as her childhood in Georgia. She holds an MFA in Writing for Children and Young Adults from Hamline University and lives with her husband, two sons, and a Labrador in Greenville.
