

Message from Author

I'm a middle-grade author (writing for ages 8-12) recently published with HarperCollins Clarion Books. I have an MFA in Writing and an MBA and have done presentations over the years. I'm happy to share my writing process and things I've learned along the way with your students!

Presentation (45-60 minutes) Getting Started Writing Stories

In this fun and interactive presentation, I share my process for writing, including idea generation, story structure and the fundamentals of plot. Grades 4-7. Virtual option available. Can do presentation multiple times if venue capacity constraints require (max 3 in a day). Students will leave "inspired and ready to start writing their own stories!" – Riverside Middle School, Greenville, SC.

Rates

Daily honorarium waived for a minimum purchase of 25 books, otherwise \$500 per school per day within one and one-half hour driving distance of Greenville, SC. Visits can also be scheduled in other cities for additional travel fees or in conjunction with travel I've planned.

Ordering Books

- Make our visit worthwhile—have students learn about the book(s) beforehand and get excited!
- Please work with your preferred local independent bookstore to order books for the event. The bookstore will provide you with an order form to send home with students.
- If you don't have a bookstore in your area, books can be ordered from the HarperCollins warehouse for a 40% discount a minimum of two weeks prior to the event. The number for ordering books is 1-800-242-7737. Any books not sold at the event can be returned for reimbursement. In this case, I can provide a parent letter with order form for your use.
- I can sign books before the event. Please note with a post-it any personalization required.

Technology needs

A microphone and a projector. I will have a USB flash drive with my PowerPoint Presentation on it. I will also have my laptop with HDMI and VGA connections.
